# Work Comp Visits Just Got Easier!

*No More Transportation Issues.*

**WORKWELL OCCUPATIONAL MEDICINE HAS TEAMED UP WITH LYFT TO OFFER TRANSPORTATION TO AND FROM YOUR WORK COMP VISITS - FOR FREE!**

## HOW DOES IT WORK?

**JUST CALL THE CLOSEST CLINIC. WE'LL SCHEDULE LYFT FOR FREE!**

It's simple: The employer or employee just calls the closest Workwell clinic to request a Lyft ride. Workwell will collect the name, cell phone number, and address of the patient then we take care of the rest!

*Lyft will only take the patient to and from their place of work. No stops.*
